

# WEDDING VIDEO

## Phillip Atkinson Photography

My approach is a photo-journalistic style, recording those special moments that happen with great sound and images that will exceed your expectations. What sets me apart is the years of experience I gained from my career as a television cameraman.

### ***Ceremony...*** \$1200

I'll be there for the arrival of the bride, the filming of the wedding ceremony and the priceless moments involving the guests and portrait-taking. Up to 4 hours.

### ***Ceremony and reception...*** \$1800

With this package, I will film the arrival of your guests and the bridal party for the ceremony, the actual wedding, guests and portrait-taking through to and including the first hour of the reception. Up to 6 hours.

### ***Complete wedding day...*** \$2800

I am available for up to 10 hours with this package. You can decide when and where you need me and what you would like captured on the day.

I can film everything you require on your wedding day from the pre-wedding preparations. The arrival of the bride at the ceremony, through to the reception (with guest interviews) and the departure of the Bride and Groom.
