

WEDDINGS

Phillip Atkinson Photography

My aim is to capture the natural essence of a moment in time, and allow that memory to be enjoyed by you and future generations.

Packages

- A \$1200 Ceremony and Portraits.
- B \$1700 Ceremony, Portraits, one hour of your reception.
- C \$2500 Preparations, Ceremony, Portraits, attending reception until your first dance.

If your package is not one of these then you can customise to your own needs. All images are supplied on CD or USB drive, high-resolution for printing and low-resolution for emailing to friends.

You can print an unlimited number which will greatly reduce your cost. Or, for couples who want an album. Magazine style albums can be professionally designed and created with attention to detail in your selection of sizes and covers. A beautiful range of choices are available and you can choose and pay for an album sometime after your wedding.
